Hugo Freeman

Research area: Econometric theory

Michigan State University
Department of Economics
486 W Circle Dr, MAH, East Lansing, MI 48824   Email: freem391 {at} msu.edu

Citizenship: Australian and British   Place of stay: Okemos, Michigan
Place of birth: Melbourne, Australia   Family status: Married, two children

Professional Positions

2024 Jan - Present	Assistant Professor, Michigan State University
2023 Aug - 2023 Dec	Instructor, Michigan State University
2013 - 2016	Data analyst (Digital Alchemy Sydney, Australia)

Education

2018 - 2023	PhD in Economics, University College London
2017 - 2018	Master of Research (distinction) in Economics, University College London
2016 - 2017	Master of Science (distinction) in Economics, University College London
2008 - 2012	BA/MA in Economics, The University of Sydney

Awards and honors

2020 - 2023	CeMMaP PhD Scholar
2019 - 2023	European Research Council studentship
2022	Winner of IAAE Best Student Paper Prize

Publications

1. Hugo Freeman and Martin Weidner. Linear panel regressions with two-way unobserved heterogeneity. *Journal of Econometrics*, 237(1):105498, 2023

2. Iván Fernández-Val, Hugo Freeman, and Martin Weidner. Low-rank approximations of nonseparable panel models. *The Econometrics Journal*, 24(2):C40–C77, 2021

Working papers and Work in Progress

1. Hugo Freeman. Linear multidimensional regression with interactive fixed-effects. *arXiv preprint arXiv:2209.11691*, 2024 (winner of IAAE best student paper prize)

2. Hugo Freeman and Dennis Kristensen. Inference on linear regressions with two-way unobserved heterogeneity

Peer review assignments

Quantitative Economics, Journal of Econometrics, Econometric Reviews, Econometrics Journal, Journal of Business and Economics Statistics, Empirical Economics

Professional Activities

Advising committee
Jingyue Cui
Seminar & Conference Organisation
MSU Econometrics Workshop October 2024

Conferences and seminars

2024	Econometric Society Interdisciplinary Frontiers AI/ML conference
	North American Summer Meeting Econometric Society
	Duke University class of 2022-2023 Microeconometrics conference
2023	Southern Economics Association annual meeting New Orleans
	Midwest Econometrics Group, Cleveland Fed
	Ohio State University
	Bristol econometrics study group
	Oxford workshop on Encounters in Econometric Theory
	University of Bristol
	University Pompeu Fabra
	Michigan State University
	University of Surrey
